DEDICATION OF THIS YEARBOOK IS TO THE PARENTS AND GUARDIANS OF
THE CLASS OF 1986 WE THANK YOU

To my Mother and Father, I Love You

You came to mind so often
and I wonder why I had been chosen
to have wonderful, loving parents
like you

You have given me love
welcoming me home with open arms

You have given me courage
helping me in times of need

You have given me security
knowing I have a safe home,
a special family to return to always

You have given me trust
from always being able to believe in me
and I in you

You have given me honesty
knowing that we always speak the truth with each other

You have given me friendship
helping me to realize that I am never alone and you are always with me

I want so much to repay you for your
kindness and someday I will find a way,
but for now I can only tell you, though
I don't always say it, I Love You!

SPORTS

Men's Soccer

This year's team compiled a record of 11-4-3 during regular season play. Having lost seven starters due to graduation from the previous year's team, this was a rebuilding year. The team finished the regular season by defeating Union College 2-1 at Union's field, a feat that was well deserved. At the time Union was ranked sixth in the Nation in Division III soccer. The only other loss Union had suffered to that point was to the Nations top ranked team Brandeis University. We narrowly missed being invited to post season play as the ECAC selection committee did not use the Union game as a basis for its decision. (The selection was made the morning of the contest). Once again, the Mohawks finished in the ISAA top ten ranking for Division III soccer in New England, finishing in the 9th position.

Individual honors were awarded to: All MASCAC to Tom Berg, Ray Wholley, Mike Demorris, and Brain Harlow. Honorable mention went to senior Goal Keeper Ray Sullivan. The NIESC All Star Game and All New England Selection was awarded to Ray Wholley.

Coach Ron Schewcraft said, "Next year's team appears to be strong. Five seniors will graduate, but the nucleus we have returning is solid." 1986 Captains for next year are John Dougherty, Brain Harlow and Gil Dustin. Best of luck to the graduating seniors.

Women's Soccer

N.A.S.C.'s first soccer season proved to be both exciting and successful. Under the leadership of Head Coach Sue Getchell and Assistant Coaches Tony Manderson and Nancy Getchell, the team closed out it's year with a 4-6 record. Although we played a limited schedule this past season, it was easy to see that there is great potential for success in the years to come.

Our team was given tremendous amount of support by the College Community. This was appreciated by the entire team and certainly enhanced our season. A hearty Thanks to all who braved the elements to cheer us as we alternately sloshed near or ran towards our opponents goal.

Our Indoor club participated in three tournaments this winter. We had the honor of bringing home a first place trophy from the Castleton Indoor Tournament.

Mohawk Hockey

After the sudden death of Coach James W. Ellingwood in late August of 1985, the Mohawk hockey team was faced with the difficult task of maintaining the successful program he had constructed. Taking eleven years of hard work and commitment Coach James Ellingwood would be very difficult to replace.

In October the team was joined by Coach William Turner who shared with us his knowledge and skill of the game. Attaining another successful season, the 1985-1986 Mohawk hockey team ended on a positive note. A record of 16 and 10, the Mohawks advanced to the ECAC tournament against Bowdoin College.

During the season, Barry Hayes broke the Colleges all time scoring record. Senior Don Studley contributed to the season with another solid year on defense. Other strong defensive performances were seen by juniors Jon Goldstein and Scott Caron as well as freshman Joe Shaughnessy. The strength of our offense came from Barry Hayes, Don McDonough and freshman Sean McGonagle who provided the majority of the scoring for the team. Stu Downer, Chris Hillich, Tom Fahey and Bob Ventura also turned in fine seasons.

The Mohawks will say goodbye to three outstanding seniors whose accomplishments will be difficult to repeat, but the Mohawks of 1986-1987 are looking forwrad to having another successful season.

Men's Basketball

Though the Men's Basketball team finished it's season with a 3-21 record, the Mohawks played hard and competitive throughout the season and posed coach John Quattrocchi to say "I thought we were in every game."

There were a few bright moments for the Mohawks this year. Co-Captain Tom Cronin broke the 1000 point barrier ending his successful season with 392 points and averaging 16.3PPG. Returning to the team next season, Cronin will look to break NASC's all time scoring record of 1336 held by Frank Zoltek. Another Mohawk achievement accomplished this year was forward Bill Fitzgerald. Fitzgerald carried the Mohawks to a 84-71 victory over the Framingham Rams. He went 10-for-10 from the field, scoring 20 points. This allowed him to be named to the ECAC honor role.

The team will be losing one senior this year, Co-Captain Mike Gillian. "Mike was one of the most intelligent players I've ever coached. His leadership will be missed" said coach John Quattrocchi.

Summing up the 1985-1986 season, coach Quattrocchi felt the Mohawks improved as a team and individually. "Our players did everything they were asked and did it to the best of their ability."

Women's Basketball

The Lady Mohawks finished their season with a respectable 7-15 record. Under the helm of new coach Jim Borowski, the Lady Mohawks gave their competition tough-fighting battles. Leading the Women's team this season was Captain Kathryn McLaughlin. She was named to the ECAC Women's honor role for averaging 24 points and 12 rebounds in a 2-1 week. She also added 12 assists and 16 steals. The team will be biding farewell to two seniors, Captain Kathryn McLaughlin and Linda Hubley. Their team and coaches wish them the best of luck and a job well done.

INTRAMURALS

What is Intramurals here at North Adams State College?

Something that 80% of the student body participates in. Intramurals is one of the most intricate parts of this college. The program is run by Nancy Granger (Director) and George Galli (Assistant Director). Along with these two special people is a staff of 25 student Supervisors and 10 Council Members.

Remember as a freshman when you started a team not knowing it would last for four years. Teams like the Trojans, Samoans, Dogs, the Hostesses, Toasted Buns, and Who Knew. The overall quality point winners of the 1986 season were the Trojans and the Hostesses. Who could forget the indoor soccer tournament with the Hostesses capturing the title with 6 rounds of overtime and 2 rounds of penalty shots against the Toasted Buns.

The 1986 James T. Amsler I-M Service Awards are given annually to two seniors who have worked throughout their college career for the betterment of the Intramural Program. As cited by Nancy Granger: From the first time you played ultimate frisbee with the "Strikers" to your final volleyball game with the I-M staff, you have set an example for every female participant on this campus. Your athletic talent, combined with your sportsmanlike attitude have been ever present on the playing surface for all to observe. As a famed official and program supervisor your decisions have always been firm, but fair. Your combined leadership skills ultimately came to the forefront in your role as N.A.S.C.s first female student Intramural Director. You have likewise distinguished yourself academically as a member of the Alpha Chi Honor Society. You are truly an Intramural-Scholar Athlete. For your dedication and service to the I-M program we present the 12th Annual James T. Amsler award to Judy Nathan.

Citation by Nancy Granger:
You were fortunate to have begun your I-M career on a team that was founded by an enthusiastic "R.A.". It was here that you earned your nickname as the "Tallest of Dogs". And TALL you have been with regard to your involvement in the I-M program. Roles such as participant, official, council member, supervisor, and student director clearly identifies you as a person that has worn many hats.

However, it was in the position of I-M Council Chairperson that dedication, reliability and strength of character were the trademarks of your performance. You have proven to be a person willing to go the extra mile to take on new challenges. For your unselfish service to the I-M program, we present the 12th annual James T. Amsler I-M Service Award to Kevin Crane. Congratulations!!!

THE WEEKENDS WERE MADE FOR N.A.S.C.!!!!

Despite 8:00 a.m. classes on Thursday, almost everyone's weekend began on Wednesday night. Gearing up for another long weekend, you called your friends and made plans to meet at the infamuos Beacon Street.

Not even thinking twice about it, you put the books away until you could make it to class on Thursday, Friday or maybe not any earlier than Monday.

Others chose to hit the bottle, from Whitney's. Even the N.A.S.C. Pub was an 'imported' alternative before Beacon Street.

How about a 12 oz. curl?

'Freakie Deakin at the Beacon' with friends were some of the great times that will always be remembered.
